## Change of registered marketing company for products of Sumitomo Chemical Company, or Valent Biosciences.

### Summary

The registered marketing company for several products has changed to Interfarm UK Ltd.

As Interfarm UK Ltd is an affiliate of Sumitomo Chemical Company, the registered marketing company has been changed for a number of products for which Sumitomo is the approval holder.

This also applies to products of Valent Biosciences, which is also part of Sumitomo Chemical Company.

This means that the MAPP numbers have changed. The crop uses are unchanged.

The details are below :-
